

Problem solving link ticket

CRAVEN MATHS

The calculations form a linear sequence. Work out the missing percentage.

$$\frac{2}{5} \text{ of } 25$$

$$\underline{\quad} \% \text{ of } 170$$

$$120\% \text{ of } 20$$

Impactful Feedback Problem Pair

I do

The calculations form a linear sequence.
Work out the missing percentage.

$$\frac{2}{5} \text{ of } 25$$

$$\underline{\quad} \% \text{ of } 170$$

$$120\% \text{ of } 20$$

You do

The calculations form a linear sequence.
Work out the missing values.

$$\frac{1}{6} \text{ of } 24$$

$$\underline{\quad} \% \text{ of } 10$$

$$70\% \text{ of } 20$$

$$\underline{\quad} \text{ of } 25$$

$$35\% \text{ of } 40$$

$$120\% \text{ of } 15$$
